

TRIP DATES; JUNE 11-17TH 2022

Chicago Mission Trip

What are we doing?

We are partnering with Sunshine Gospel Ministries to serve in their local community through:

- SUMMER EDUCATION PROGRAMS
- WORK PROJECTS SUCH AS GARDENING
- BUILDING RELATIONSHIP IN THE COMMUNITY THROUGH DAY CAMPS AND SPORTS
- LEARNING ABOUT THE CITY OF CHICAGO WHILE DOING KINGDOM MINISTRY

Who are they? For over 100 years, Sunshine has been a presence in the most challenging communities of Chicago. We have weathered various ups and downs, survived two pandemics (1919 and 2020), multiple Presidents, and mayors. God has carried us through the race riots of 1919, the Civil Rights movement, urban renewal, multiple displacements, and several different iterations of our ministry. Though many things have changed throughout the years, three things have remained constant; **We have always been focused on sharing the Gospel of Jesus Christ, seeking the peace (Shalom) of the city, and serving the most under-resourced communities of Chicago.**
